Dear MSA Members,

Please note the following update regarding the Westman Region.

## **WESTMAN REGION**

The health authorities have announced that the Prairie Mountain Health Region has been moved into the province's Caution Level (Yellow) beginning Friday, September 18<sup>th</sup>, 2020.

The Manitoba Soccer Association, in conjunction with the Westman Regional Soccer Association, has moved the Westman region of the province back to Stage 3 of the Manitoba Soccer Return to Participate Guidelines and Recommendations.

Once again please note that this situation is fluid and constantly changing. Our decisions will be based on the health authorities' recommendations.

Please continue to follow the Return to Participate guidelines and recommendations set forth by the provincial health authorities and Manitoba Soccer regarding sanitizing, physical distancing, and self-assessing when attending any sanctioned soccer activities.

Thank you for your efforts to keeping everyone safe.
